

Message from the Mayor

It gives me great pleasure to extend greetings and a warm welcome to everyone attending the LatAm Startups Conf 5.0., supported by the City of Toronto.

The City of Toronto is working to create opportunities for companies in Toronto, Mexico and throughout Latin America. We recently signed a Memorandum of Understanding with Mexico City establishing the intention to collaborate in various sectors while encouraging trade and investment exchanges.

In 2018, LatAm Startups aims to bring 20 tech companies from various Latin American countries to support their market entry and assist them to go global from Toronto.

As Canada's largest city and the fourth largest in North America, Toronto is a global centre for business, finance, arts and culture and is dedicated to being a model of sustainable development. I welcome everyone to our city and encourage you to enjoy Toronto and learn about our vibrant neighbourhoods.

On behalf of Toronto City Council, please accept my best wishes for an informative and enjoyable event.

Yours truly,

John Tory
Mayor of Toronto
